

# Small but Great

It is our vision that we wish to grow and to become a stronger company in the world.

## Throughout the World in Which We Live

We are contributing to society through the creation of diverse products.

Our diverse range of products in three major markets - Chemicals, Pharmaceuticals and Foods – support a modern, comfortable life.

**Quality Certification**

We are certified to ISO 22000, ISO 9001 and Halal and Kosher standards for safety and quality.

ANAB ISO 22000  
ISO 9001  
ACRYLAMIDE DERIVATIVES  
Bureau Veritas Organic:IAS

**Our Facility**

Our newest, integrated inspection & packaging facility opened in December 2015!

**Proximity**

Premier location near Kansai Airport.
